

Climate Protection Certificate

SCL Italia SpA.

has consigned packaging to recovery through RIGK GmbH
in the year 2025.

Your contribution to climate protection:

By consigning this material to recycling,
817 kg greenhouse gas was saved in absolute terms.*

This corresponds to the CO₂-emissions which **58 trees** in
Europe bind every year.

On behalf of the climate and the environment we say "Thank
you".

Dieter Koeve, Lawyer
Trustee for PAMIRA
